Hi Chip,

I understand there are some discussions happening with the Corps regarding use of WRDA funds for some potential orphan sites at Portland Harbor. I assume the discussion is around use of funds for clean-up but at least one of the sites (Willamette Cove) is in the Trustee Council's restoration portfolio, so I think it would make sense to bring Trustees (or a Trustee "delegation") into those discussions if possible. If you have some time next week to discuss, I'd appreciate it.
